Jerry Z wrote a review 8/2019Camillus, New York4,830 publications12,554 useful sounds Came with early teen grandchildren. They were too old for this place. The Go cart was a hit, but they just wanted to ride. Mini golf was ok. The bumper cars were ok too. It's a little funny. The arcade left the biggest hit. The food was good. There were just bagels and french fries. ... Date of experience: August 2019 Useful soundshelpfulResponse from ClubhouseFunCenter, Clubhouse Fun Centerresponded September 2, 2019Reponse For feedback. It took two days straight and could have gone to the 3rd. Close to the hotel and shopping strip. Looks small, but it gave us good times. Bumper cars are fun for young people, and while we didn't play mini golf, it looked like fun. Prices are reasonable for what you get ... Even though the track is small, we still had a lot of fun cutting people off and cutting into corners. Gokart's waiting area was as airy on the roof as it could be... These aren't electric cars. We went on a Sunday and Monday evening and the crowd and waiting times were minimal. I would definitely go again in Rochester.... My son had a great time at Go Karts. It's best to get there early to get to Go Karts with your family/friends. The 1st ride was great but the second one wasn't as there were a lot more people who weren't with us. And of course adults were worse than children.... The location is quite well maintained and a great place to bring the kids. Located in Henrietta. In 2018, the owners bought Adventure Landing in Greece. This place has batting jars and ropes rough. Each participant received 3 tickets to any combination of go-carts, mini golf or arcade tons. In addition, each person received 10 or 25 arcade tokens (I forget how many). There is also an outdoor picnic area with canopy-covered tables. Staff grilled burgers, sausages and hotdogs, as well as serving garden salad and macaroni salad. They were also very nice to those present and grilled on veggie burgers. Go-carts are an explosion, but there is a size requirement, so young children usually need to be two-seater with an adult. The two mini golf courses look easy, but are challenging, partly because the green carpet is not tacked in places. Arcades are loved by children of all ages. Based on their website, there are plans for golf courses next spring and add beginners' cars for drivers between 46 and 56 can drive without their parents. In addition, this autumn, a completed animal section has been added. - ScottHendler 2007-05-29 It's small, but it's a good place to bring the kids, damn, damn it. My wife and I go on an immature date, and then I give the tickets I've won for the nearest child. —TravisOwens 2008-02-29 04:11:38 fun afternoon. Go as early as you can and not on weekends unless you want to be a sardine. Mini golf was very fun! —EllaBeeny 2009-07-29 13:20:51 This place is awesome! I brought my girlfriend for fun when we went to Olive Garden and the wait was too long! We played a few rounds of Mini Golf and then competed in Go Karts (some little kid beat us!) In any case, not bad, I also saw a few other older couples there, but mostly younger children with their parents. It feels like fun for people of all ages. Two thumbs up in my book. —DylanPaul 2013-09-05 12:29:55 Skip this place if you are looking for a good arcade center. They removed their dance dance revolution and light gun games and everything you'd expect from traditional video games. They replaced them with big touchscreen games (Fruit Ninja) and similar casual games served to kids. —Longfield 2013-09-05 12:57:32 Go-karts are nice and new. The golf course needs repairs and an upgrade for one. The arcade is all about tickets. —Damiankumor —Damiankumor
